STUDENT PROSPECTUS

FUTURE NURSES NURSING SCHOOL (PTY) Ltd

1. ABOUT FUTURE NURSES NURSING SCHOOL

Future Nurses Nursing School (Pty) Ltd, (FNNS) was established in November 2003 and provides equal opportunity education and training to the Nursing sector.

FNNS meets the black economic empowerment criteria through its shareholding and employment policies. FNNS is registered with the Council of Higher Education (CHE), the Department of Higher Education (Dhet), South African Quality Assurance (SAQA), and fully accredited by the South African Nursing Council (SANC)

Future Nurses Nursing School partners with BlackBird Media to offer courses accredited by the Quality Council for Trades and Occupations (QCTO) and the Health and Welfare Sector Education and Training Authority (HWSETA). This collaboration aims to provide individuals aspiring to pursue careers in health-related fields with access to comprehensive and recognized educational opportunities. Through this initiative, the institutions seek to enhance the quality of nursing education and training, ultimately contributing to the development of a skilled healthcare workforce.

2. VISION:

An innovative leader in educating nurses who will promote clinical excellence and are committed to the provision of quality patient care.

3. MISSION:

We produce leaders in nursing and healthcare. We provide thoughtful innovation in healing, teaching, and discovery. Our curriculum is grounded in experiential learning, evidence-based standards, and collaborative strategies. We aim to build effective, interprofessional teams that will ensure quality healthcare delivery for diverse populations. We achieve this career preparation by supporting and emphasizing:

- Clinical excellence
- Critical thinking
- Student-centred learning
- Experiential learning
- Holistic and compassionate care
- Self-reflection Leadership
- Interprofessional collaboration

4. ADMISSION REQUIREMENT:

4.1 PURPOSE:

The qualification serves to provide students with the knowledge, affective, cognitive and conceptual tools and practical techniques for additional higher education studies in nursing. This qualification signifies that the learner has attained a basic level of higher education knowledge and competence in nursing and can apply such knowledge and competence in the workplace.

4.3 LEARNING ASSUMED TO BE IN PLACE:

The following is a recommendation:

(Students will not be denied admission if they do not comply)

- Communication (English) level 4 – 50% and above
- Mathematics / Mathematical literacy level 4 – 50% and above
- Life Sciences level/Biology Level 4 – 50% and above

Grade 12 (Std 10) – Minimum Points 20

NSC LEVELS		FNNS SCHOOL POINTS				
Level	Percentage	Points for English (Home Language or First Additional Language*)	Points for Mathematics or Mathematical Literacy	Points for Life Sciences	Points for Life Orientation	Points for other subject
8	90-100%	15	15	15	3	8
7	80-89%	13	13	13	3	7
6	70-79%	11	11	11	2	6
5	60-69%	9	9	9	2	5
4	50-59%	7	7	7	2	4
3	40-49 %	5	5	5	1	3
2	30-39%	3	3	3	1	2
1	20-29 %	1	1	1	1	1

	Less than 20%	0	0	0	0	0
--	---------------	---	---	---	---	---

- To qualify for the programme prospective learner must achieve at least 20 points

The APS is thus calculated as the aggregate of the points scored for all subjects of the candidate's matric certificate
